Tochnit: Team Names and What They're About

Team Name: *Am Segulah*

Motto: “הן עם לבדד ישכון”, “They are a nation that dwells apart.” (Bamidbar 23:9)

Team *Am Segulah*, meaning **Treasured Nation**, is all about the special role of *Am Yisrael*. Championed by people such as Rabbi Moshe Sofer (the Chatam Sofer), as *Am Segulah* we are proud of our unique relationship with God and the values of the Jewish people. *Am Segulah* does not want to leave the *shtetl* even if given the opportunity because we're happy being in a Jewish environment. For better and for worse, *Am Segulah* knows that our relationship with Hashem gives us a lot, but also demands a lot, and that there can be direct outcomes that reflect the strength of our relationship. The term *Am Segulah* appears in the Torah in the context of the giving of the Torah, our special heritage which marks us as God's chosen people.

Team Name: *Yoshevei Tevel*

Motto: “כי בצלם אלוקים עשה את האדם”, “For in the image of God He made Man.” (Bereshit 9:6)

Yoshevei Tevel, meaning **Inhabitants of the World**, understands that the Jewish people and the rest of the world are in a symbiotic relationship where each benefits from the other. Both Abraham Geiger and Moses Mendelssohn thought it was important for *Am Yisrael* to embrace the world around them and that Judaism shouldn't only depend on our own traditions, but should expand to account for modern science and ideas. *Yoshevei Tevel* follows the lead of these thinkers and believes that the ideas of Judaism are universal, and non-Jewish ideas could be adopted by Jews. Judaism isn't watered down when we adopt non-Jewish values, it is enhanced. The term *Yoshevei Tevel* is used throughout Tanach in describing all nations of the earth.
